

Karbala Ya Hussain

Hashim Sisters

Bismillahir Rahman Nir Raheem

Hussain

We all think that Karbala is very far away and hard to reach
We pray that one day we can all go there but if we can't
We must remeber Karbala is in our hearts

Karbala is in our hearts, Ya Hussain we call out loud [Chorus] x3

1] When the new moon of the new year is born, we can all see
The air is filled with sadness, there's nowhere else we want to be
Nowhere other than the Holy city of Karbala
Ya Hussain Ya Hussain Ya Hussain Ya Hussain x8
Chorus x2

2] We take out our black clothes and put our colours away
We listen to Nohas and Majlis every night and day
All our thoughts with our Imam, and the land of Karbala
Ya Hussain Ya Hussain Ya Hussain Ya Hussain x8
Chorus x2

3] People from all over come to our homes, and they gather
Never mind if they are young, or if they are older
Our homes resemble the streets how they're packed in Karbala
Ya Hussain Ya Hussain Ya Hussain Ya Hussain x8
Chorus x2

4] We put black flags on the walls like on the dome of Hussain (as)
We make food and serve it in our Holy Master's name
Just like we see they do on the land of Karbala
Ya Hussain Ya Hussain Ya Hussain Ya Hussain x8
Chorus x2

5] We know that we are the prayers of our lady Zahra (sa)
We are the ones who will weep over the youth of Karbala
We will live to protect the legacy of our Master
Ya Hussain Ya Hussain Ya Hussain Ya Hussain x8
Chorus x2

Ya Hussain Ya Hussain Ya Hussain Ya Hussain x8
