

# The Difference

## Philmont

I checked the map to make sure that I get it right  
But still I don't know where you're taking me tonight  
And I tried so hard to mix the old life with the new  
But there's no in-between if I'm gonna follow you  
Chorus:  
There's gotta be a difference  
It's gotta be significant  
If you're really inside changing my life  
You would shine, you would be evident  
If there's a difference  
If there's a difference  
Here I am I've got this baggage by my side  
But I am ready now to leave it all behind  
So I'm taking this moment  
To tell you I'm open  
I'm taking this moment  
To give you everything  
Chorus:  
There's gotta be a difference  
It's gotta be significant  
If you're really inside changing my life  
You would shine, you would be evident  
If there's a difference  
Difference  
We're not meant to be  
Another face in the crowd  
We're not meant to be  
Another face in the crowd  
Woah  
Chorus:  
There's gotta be a difference  
It's gotta be significant  
If you're really inside changing my life  
You would shine, you would be evident  
If there's a difference  
Chorus:  
There's gotta be a difference  
It's gotta be significant  
'Cause you're really inside changing my life  
And it's so evident that there's a difference  
There's a difference  
There's a difference  
There's a difference  
There's a difference
