

Here Comes the Mobster

Big Charlie

Here comes the mobster
I can see he comes
And catches every one he sees
Here comes the mobster
You can hide yourself
But he will hunt for you
Here comes the mobster
Yeah!

He can read your mind
And pose to buy everything
He comes too faster
You can run away
At home and hide yourself
HEs already behind youHead
Head
Head
Head
Headand
and
and
and

andHere comes the mobster AAAAAAAAAAAAA
Hes moving faster every pawn to play his game
Hes fast and snatches every pound for his big home
You are the next to meet him
You are the next to meet himHead
Head
Head
Head
Headand
and
and
and

andHere comes the mobster
I can see he comes and catches everyone he sees
Here comes too faster
you can run away at home to hide yourself
Here comes the mobster
You can run away at home to hide yourself

Youre the next to meet him
