

# Lovin' Is Really My Game

[tallskinnyblackboy.com](http://tallskinnyblackboy.com)

I can't catch no man  
Hangin' out at a discotheque  
But I believe in the boogie  
Oh, but the boogie don't believe in me Well, I got my way of groovin'  
Sittin' down right in my seat  
I get soul satisfaction  
Yeah, without jumpin' up and down on my feet Whoa, ho disco guy  
You'll be sorry if you pass me by  
I've got what you need  
Boy, I wouldn't tell you no lie Why not give me a chance?  
I swear I could prove it  
That don't mean I can't move it  
And it's close to perfection  
I just use it in another direction, yeah  
Ooh, ooh, yeah I can't catch no thrill  
Though the music they're playin' makes me feel  
When all is said and done  
Well, now I know what it's all about Well, hey, come along with me  
If you do I will guarantee  
I'm gonna give you my love  
And the way it's gonna make you shout, shout, shout, boy Disco guy  
You'll be sorry if you pass me by  
I've got what you need  
And boy, I wouldn't tell you no lie Why not give me a chance?  
I swear I could prove it  
That don't mean I can't move it  
And it's close to perfection  
I just use it in another direction I can't catch no man  
Hangin' out at a discotheque  
But I believe in the boogie Oh, but lovin' is really my game  
Well, lovin' is really my game  
Well, lovin' is really my game  
Well, lovin' is really my game  
Try me baby, yeah And I will make you see, yeah  
I, I got lovin', yeah

I'm gonna love you right, yes, I will  
Every day and every night, yeah Ooh ooh ooh oh oh oh
