

Godspot

Anointed

Began a new life
Found a love of your own
Got someone by your side
Now you don't have to be alone
But you find yourself in need
Of more than what they can give
And it's taking all your strength within
To get them to understand

[Chorus:]

Well there's a place within the soul
There's a place where nobody knows
It's a place, some they come and go
But no one can fulfill the Godspot
A place (yeah) that's in demand
Need a lot of love someone to understand
It's a place where only He can
Cause no one can fulfill the Godspot
(oh, no, no)

Always surrounded
By so many many friends
They were like family, (yeah)
Promised to be there 'till the end
But then you realized you gave
Too much of your heart away
You put all your trust in them
You thought they would always stay

[Chorus]

When everyone has let you down
Remember God, He'll always be around
And when life seems impossible
Trust in Him, and you will find He's able
Yes, He's able, yeah
Yes He is.

I'm trying to say that things and people
Will never satisfy

Cause there is nothing or anyone
Who can take the place of God

[Chorus]

No one can fulfill it,
It's a Godspot, yes it is
No one can take the place of God
(Repeat to fade)
