IDMC

V1

There's never been a time like this  
People are struggling, to hold their jobs  
And keep their homes  
We're looking for answers that'll ease the hurt  
Of modern life, Lord we're begging pleaseRISE 1  
You got to know, God's watching over you, it's trueHOOK  
Lift your head (LIFT YOUR HEAD)  
It won't be long (WON'T BE LONG)  
A change is coming (CHANGE IS COMING)  
Don't lose your song  
Keep your faith (KEEP YOUR FAITH)  
Hold God's hand (HOLD GOD'S HAND)  
Be encouraged (BE ENCOURAGED)

Don't lose your song.V2

You won't find answers in material things  
Or what men may say  
They always make mistakes  
You got to find the answer within your heart  
Many don't have what you have  
That's got to be a start.RISE 2  
You got to know, God's watching over you  
His hands will guide you throughHOOK X2BRIDGE  
Many people think that true happiness comes  
With wealth and fame  
True happiness comes when you realise  
You're already rich, you just don't know it yetHOOKOUTRO  
I sing because I'm happy, I sing because I'm free  
His eyes are on the sparrow, and I know God watches me
