

Tell Me What the Papers Say

Elton John

I spy headlines, newsprint tells lies
Tell me what the papers say
Save lives don't drive, everybody's got to die someday
At least that's what the papers say Coal mines, closed down
Nobody's workin' underground today
More jails, peace for sale
Japanese still killin' whales Teen dreams
On two inch screens
Lipstick boys all look like queens
Least that's what the papers say I spy headlines, newsprint tells lies
Tell me what the papers say
Save lives don't drive, everybody's got to die someday
Least that's what the papers say Dope and pills, guns kill
Death just buys cheap thrills
Coal mines, closed down
(Ooo, oo, ooo, oo, ooo)
Nobody's workin' underground today Teen dreams
On two inch screens
Lipstick boys all look like queens
Least that's what the papers say Tell me what the papers say Tell me what the papers say Coal mines, closed down
Nobody's workin' underground today
Dope and pills, guns kill
(Ooo, ooo, oo, oo, ooo)
Death just buys cheap thrills Teen dreams
On two inch screens
Lipstick boys all look like queens
Least that's what the papers say Teen dreams
On two inch screens
Lipstick boys all look like queens
Least that's what the papers say Tell me what the papers say
Tell me what the papers say
Tell me what the papers say
Tell me what the papers say
