

# Glendora

## Perry Como

I'm in love with a dolly named Glendora  
She works in the window of a big department stor-a  
Eyes of blue, hair like gold  
Never been young but she'll never get old Oh Glendora, I wanna see more of you  
O' Glendora, o' Glendora  
O' Glendora, I wanna see more of you She's so shy that I don't know how I found her  
With three big body guards always workin' around her  
One just nods an' two just grins  
An' three got a mouth full of safety pins O' Glendora, I wanna see more of you  
(You, more of you)  
O' Glendora, o' Glendora  
O' Glendora, I wanna see more of you  
(More of you) I stand left an' I stand right  
Outta my head 'cause I'm outta sight O' Glendora, I wanna see more of you Late last night at the store they did  
some changin'  
An' I stood watchin' when they started re-arrangin'  
She lost her wig, she lost her arms  
An' when they got through, she lost all of her charms O' Glendora, what did they do to you?  
What they do, what they do, what they do ?  
O' Glendora, o' Glendora  
O' Glendora, what did they do to you?  
What they do, what they do, what they do ? O' Glendora, o' Glendora  
O' Glendora, what did they do to you?  
Do to you, oh, what did they do to you?  
O' Glendora, what did they do to you?
