

# Phoenix (feat. Sasha Sloan)

## Kaskade

Oh, oh  
Oh  
Oh-oh oh-oh I am not afraid  
Of the things under my bed  
Plus the things inside my head  
They scare me, they scare me  
When I am alone  
All my fears, they show their face  
Yeah, I swear there's no escape  
They scare me, they scare me Knock, knock, knock  
Someone let me out  
Knock, knock, knock  
I try and shut them out, but Walls cave in  
I guess it's time I let them fall  
I've been holding in  
Everything for far too long  
Ashes, ashes, we all fall down  
Ashes, ashes, we all fall down  
Now shed this skin  
Now when it's time, I know I'll fly again Oh, oh  
Oh  
Oh-oh oh-oh I hear them through the walls  
They keep on calling out my name  
Yeah, they don't want me to change  
They scare me, they scare me Knock, knock, knock  
Someone let me out  
Knock, knock, knock  
I try and shut them out, but Walls cave in  
I guess it's time I let them fall  
I've been holding in  
Everything for far too long  
Ashes, ashes, we all fall down  
Ashes, ashes, we all fall down  
Now shed this skin  
Now when it's time, I know I'll fly again Planes take hold me  
Burn up the skyline 'til I'm free  
Spread my ashes on the sea  
'Til I run Walls cave in  
I guess it's time I let them fall

I've been holding in  
Everything for far too long  
Ashes, ashes, we all fall down  
Ashes, ashes, we all fall down  
Now shed this skin  
Now when it's time, I know I'll fly again  
I know I'll fly again Oh, oh  
Oh  
Oh-oh oh-oh
