

# Over And Over

Joe Walsh

Over and over  
Just as plain as can be  
Taken for granted  
Out in the open  
Easy to see Taking my chances  
I'm counting my shoes  
I'm playing a game  
Making it easy  
Counting in two's By the time you get started  
You're already through  
Just a matter of time till it shows  
Like reading the headlines  
Yesterday's news  
Over and over That's how it goes  
Or haven't you heard?  
Talking so fast  
Only at the same time  
Searching for words It's all about the same thing  
Underneath the disguise  
Just like they say  
If you're looking for answers  
Open your eyes And sooner or later  
It's easy to see  
Just a matter of time till it shows  
Like keeping a secret  
Ev'ryone knows  
Over and over
