

# Happy Birthday To You

ãf•ãfŠãf¬ã, °ãfŸ

Happy Birthday to you  
Happy Birthday to you  
Happy Birthday, Mr. President  
Happy Birthday to you

Thanks Mr President  
For all the things you've done  
The battles you've won  
The way you deal with US Steel  
And our problems by the ton  
We thank you so much

Everybody Happy Birthday
