Do Or Die

Bushwick Bill:
ahahahahhaha
oh shit, is it time
alright heres when we all come together to discuss to do time
within ourselves when we all wanna do something extraordinary which is to kill, a thought, a person, or a situation
ahahahhahaha, but because two muthafuckas can't agree on one issue
that creates the means for shit to come to an end
so there for it's either you gonna do it my way or you gonna die fuckin
wit us, so this is war my weapons is aimed to reach you
Rap Alot Mafia fah life nigga
I can feel youN.A.R.D:
now how can i introduce you to this pain
wit the slugz to the brain
beyond ?????????? called point blank range
spit the world wit game
rotate wit niggas that will not change
in this world we blame fah everythang from straps to cocaine
individual ??????????????????
any threats, so disrespect, get you shot n ???????
Rap Alot Mafia, the incredible sources n forces of course
verbally said, no remorse
physicall contact take your choices
??????? i walk this bitch wit a bum to the chest
two teks in the vest
put it in you
???? your body like slugz up in you
I intro, i outro(to be continued)
(to be continued)I intro, i outro, to be continued
