Whatever It Is

CeCe Peniston

Whatever it is, whatever it is
Just the other day I was thinkin' of you
The way ya make me feel is just so damn good
Starin' at your picture, of you look so fine
When you love me down you just take your timeIs it your touch that brings me
Shivers when I sleep
Is it the sexy things you say
Every time you speakBaby, I know there's something about you
And I just can't lie
I guess that's the reason
I can't get you off my mindWhatever it is, whatever it is
Just the other day I was thinkin' of you
The way ya make me feel is just so damn good
Starin' at your picture, of you look so fine
When you love me down you just take your timeWhatever it is oh don't take it away from me
Whatever it is promise that you'll always stay
Whatever it is it's got me crazy about you
'Cause no one can love me like you doMaybe it's the way you call my name
When you're around it's my desire
To have you near me just because
Boy you just don't knowIt's all the crazy things that you do
'Cause you're doin' things to me
Nobody else could doIs it your touch that brings me
Shivers when I sleep
Is it the sexy things you say
Every time you speakBaby, I know there's
Something about you
And I just can't lie
I guess that's the reason
I can't get you off my mindWhatever it is, whatever it is
Just the other day I was thinkin' of you
The way ya make me feel is just so damn good
Starin' at your picture, of you look so fine
When you love me down you just take your timeOh baby sounds real good to me
'Cause nobody does it like you do
Like you do like you
The way that you touch meHere and there and everywhere
The way that you're lovin' me down

The way that you do, do, do
