

Footloose and Fancy Free

Camera Obscura

Buy me an advent calendar
It seems the thought of days
Without you make me sadder
Dont visit me now
You make me want to do myself in
Ill see you some time
But I wont see you soonI know somethings about you
I wont spill the beans
Theres a spool in my own camera
Thats never been seen
I could write it all down but it wont be enough
I want you to be happy with someone to loveIt wont be me
It wont be you
Pretty soon well agree to be free
Footloose and fancy free
