Spooky

Percy Sledge

In the cool of the evening
When everything is getting kind of groovy
You call me up and ask me
Would I like to go with you and see a movie?First, I say no, I've got some plans for tonight
And then I stop and say all right
Love is kind of crazy with a spooky little boy like you, youYou always keep me guessing
I never seem to know what you are thinking
And if a girl looks at you
It's for sure your little eye will be a-winkingI get confused, I never know where I stand
And then you smile and hold my hand
Love is kind of crazy with a spooky little boy like youAnd if you decide some day to stop this little game
That you are a-playing
I'm gonna tell you all the things
My heart's been a-dying to be sayingJust like a ghost you've been a-haunting my dreams
And now I know you're not what you seem
Love is kind of crazy with a spooky little boy like youSpookyAnd if you decide some day to stop this little game
That you are a-playing
I'm gonna tell you all the things
My heart's been a-dying to be sayingJust like a ghost you've been a-haunting my dreams
And now I know you're not what you seem
Love is kind of crazy with a spooky little boy like youSpooky little boy like you
Spooky little boy like you
A spooky little boy like you
