

The Last Scripture

With Passion

Black burns the sky forced to the allegiance of the darkest soul the wound from the crimson sword I am my
God, a theory, a scripture you come to me for everything your blood thickens from your suicide I see your
shadow everywhere I can see your eyes, so dark, start crying your blood red tears turn to demons your voice, the
sound of secrecy I feel my soul bleed through your veins your words turn frail, then silence the black burns the
sky.
