

# Sailing

## Celtic Woman

Sailing, I am sailing  
Home again cross the sea  
I am sailing stormy waters, to be near you  
To be free I am flying, I am flying  
Like a bird across the sky  
I am flying, passing high clouds  
To be near you  
Who can sail? Can you hear me, Can you hear me  
Through the dark night, far away  
I am dying, forever trying  
To be near you  
Who can sail? I am dying, forever trying  
To be near you  
Who can sail? We are sailing, we are sailing  
Home again, cross the sea  
We are sailing stormy waters  
To be near you  
To be free To be near you  
To be near you  
To be free
