

# No Moon at All

[Diana Krall](#)

No moon at all, what a night  
Even lightnin' bugs have dimmed their lights  
Stars have disappeared from sight  
And there's no moon at all Don't make a sound, it's so dark  
Even Fido is afraid to bark  
Such a perfect chance to park  
There's no moon at all Should we want atmosphere for inspiration, dear  
One kiss will make it clear  
That tonight is right and bright moonlight might interfere  
No moon at all up above  
This is nothin' like they told us of  
Just to think we fell in love  
And there's no moon at all Should we want atmosphere for inspiration, dear  
One kiss will make it clear  
That tonight is right and bright moonlight might interfere  
No moon at all up above  
This is nothin' like they told us of  
Just to think we fell in love  
And there's no moon at all No moon at all  
No moon at all  
No moon at all
