Masters

Local Natives

Do you feel like a shit turning up sometimes?
Just pierce through the jungle of your mind
Do you feel like a shit turning up sometimes?
Just pierce through the jungle of your mindStay, I'll make sure you're safe
I don't wanna change
I love you this way
And I love you right nowHeard they're still playing songs on the radio
Your kids won't know what the thing was forStay, I'll make sure you're safe
The masters won't change
And I love you this way
And we're all masters nowAre you afraid to call yourself a feminist?
All the losers complaining, "I don't have time for this"Safe, your common mistake won't make you feel safe
The masters won't change
And we're all masters now
