

There Is No Condemnation

[Andrea Hamilton](#)

Verse 1:

They say that my past can't be erased
They say that I've fallen from Your grace
But You say I'm Your child
So dear to Your heart
And it doesn't matter where I've been

Verse 2:

They say that my love will not remain
They say what I've done I'll do again
But You say there is life
You have made me right
There's nothing left to hold me down

Chorus:

There is no condemnation
There is no fear in love
Every chain is broken, He has saved us

Verse

Chorus

Bridge:

I am new - salvation
I am clean - redemption,
White and spotless in His eyes
I am free from darkness
Now I'm one with Jesus
Blameless, brave and qualified

1/2 down chorus
