

Beautiful News

Matt Redman

Joy is the theme of my song
And the beat of my heart
And that joy is found in You
For You showed the power of Your cross And Your great saving love
And my soul woke up to You
I heard Your beautiful news
Grace so amazing, so true Shout it out, let the people sing
Something so powerful should shake the whole wide world
Make it loud, make it louder still
Savior we're singing now to celebrate Your beautiful news There's a God who came down to save
Showed the world His amazing grace
There's a God who came down to save
And He calls your name
