

Missing Love

Ty Tabor

I'm a man
But I'm no Superman
I'm who I am
And I do the best I can
On sinking sand
From my worst laid plans

I'm missing love
Missing love in my life
Missing you
Missing you in my life
Missing love
Missing love in my life
Missing you

I'm a man
But I'm no Superman
And I can't fly
And I don't always know why
But I can learn
If I can hold up to the burn

I'm missing love
Missing love in my life
Missing you
Missing you in my life
Missing love
Missing love in my life
Missing you

Love (4x)

I'm a man
But I'm no Superman
I can't go back
Time has his own plans
But if I could
You know I surely would ...

I'm missing love

Missing love in my life

Missing you

Missing you in my life

Missing love

Missing love in my life

Missing you
