

Heaven on Earth

The Platters

Heaven on earth, that's what you've made for me since the day we met
Heaven on earth, it's all been so thrilling, I never can forget, uh-oh

Heaven on earth, alone with an angel, is living in dreams come true
Heaven on earth, I know that it happens only when I'm with you

Paradise seemed so far
Like a star, it twinkled high above me
Now I'm wise:
Paradise isn't far at all when you're around to love me, uh-oh, love me

Oh, heaven on earth, no need in waiting, waiting until I die
Heaven on earth, that's what you've made, a heaven for you and I

A heaven for you and I
(For you and I)
