Love Don't Leave Me Waiting

Glen Hansard

Lover, you've been hesitating.. you've been hanging on for that sign for too long.
And lover you've been leaving me waiting.. and I dont know why or what it is I've done.
And love dont leave me guessing... ohhh love ... dont keep me here.
Show yourself to me.
And time you've been erasing, you've been running out on me.
And times you've been a talkin' you've been sayin' what you really mean
And love dont leave me waitin'... ohh love.. dont leave me here.
And love dont leave me guessing... ohh love... dont keep me here.
Show yourself, show yourself.
lalalala...lala
lalalalala.la...lala
lalalalalala..lalalala
And love, dont leave me waiting.. ohhh love... dont keep me here.
And love, dont leave me guessing... ohhh love.. dont keep me here.Show yourself to me.
OAHHhhh...yeh!
