

Hanging On

Yuna

Could this be the end of something?
Can't handle anymore
Can't take it anymore You say you don't know what you want yea
You don't know what you're looking for
I know what you're looking for I gave you so much but you don't see it
I'm caught in your web and I don't mind it I'm lost in your maze but I'm not looking for a way out
For a way out yea (Pre-Chorus)
I will never
I will never get through to you
Some dreams were never
Some dreams were never meant to go through to you (Chorus x2)
I'm still hanging on, hanging on
And I don't know why
I'm still hanging on to you
Can you see me try? This could be the end of something
'Cause I've been here before
I felt this way before I can see your love is fading
Can't feel it anymore
Don't feel it anymore (Pre-Chorus)
I will never
I will never get through to you
Some dreams were never
Some dreams were never meant to go through to you (Chorus x2)
I'm still hanging on, hanging on
And I don't know why
I'm still hanging on to you
Can you see me try? (Bridge)
I don't know if I should let go
I don't know if I can let go
I don't know if I should let go
I don't know if I can let go
I don't know if I should let go
I don't know if I can let go
I don't know if I should let go (Chorus x2)
I'm still hanging on, hanging on
And I don't know why
I'm still hanging on to you
Can you see me try?
