

# Can't You See

## Immature

Can't you see  
You're everything I need  
Baby stay  
Don't take your love away Girl you mean the world to me (World to me)  
I won't let you go, oh no  
Girl you are so fine to me (Fine to me)  
You are my everything, everything Can't you see  
You're everything I need  
Baby stay  
Don't take your love away Girl you know you can count on me (Count on me)  
To give you everything, oh yeah  
'cause that's the way love is suppose to be (suppose to be)  
Baby please stay with me, yeah yeah I know that in your mind things can't go wrong  
You know that you should stay with me baby  
'cause love (Cuz Love) Is what you need (Is what you need)  
I think about you everyday, yeah Can't you see  
You're everything I need  
Baby stay  
Don't take your love away Can't you see  
You're everything I need  
Baby stay  
Don't take your love away (Girl I'll show you the way) I'll show you the way  
(Give you everything) Give you everything  
(Our love will bring) Our love will bring  
(Ohh) Ohh, (Always will treat you right)  
(No one loves you like I do) Loves you like I do Can't you see  
You're everything I need  
Baby stay  
Don't take your love away  
Can't you see  
You're everything I need  
Baby stay  
Don't take your love away  
Can't you see  
You're everything I need  
Baby stay  
Don't take your love away  
Can't you see  
You're everything I need

Baby stay  
Don't take your love away
