You Know

The Damned

You've got your plastic cards
But you can't create
You've got your open bars
But you can't relatePretty as a mirror
Ugly as your smile
You won't fool anybody
Not even for a whileYou know, you know
You know, honey, you know
You know, you know
You know, you knowCan't stop thinkin' of you
All the ways you go on
Don't try to tell me, baby
All your plastic has goneYou know we need you, honey
Like I need a loan
Your time is running out now
I guess we really oughtta goWell, you know, you know
You know, yes, you know
You know, you know
You know, you knowYou know, you know
You know, honeyYou've got your plastic cards
But you can't create
You're got your open bars
But you can't relatePretty as a mirror
Ugly as your smile
And you won't fool anybody
Not even for a while, you know, whyYou know, you know
You know, you know
Honey, you know, you know
You know, you know
You knowYou know, you know
You know, you know
You know
