

# You Know

## The Damned

You've got your plastic cards  
But you can't create  
You've got your open bars  
But you can't relate Pretty as a mirror  
Ugly as your smile  
You won't fool anybody  
Not even for a while You know, you know  
You know, honey, you know  
You know, you know  
You know, you know Can't stop thinkin' of you  
All the ways you go on  
Don't try to tell me, baby  
All your plastic has gone You know we need you, honey  
Like I need a loan  
Your time is running out now  
I guess we really oughtta go Well, you know, you know  
You know, yes, you know  
You know, you know  
You know, you know You know, you know  
You know, honey You've got your plastic cards  
But you can't create  
You're got your open bars  
But you can't relate Pretty as a mirror  
Ugly as your smile  
And you won't fool anybody  
Not even for a while, you know, why You know, you know  
You know, you know  
Honey, you know, you know  
You know, you know  
You know You know, you know  
You know, you know  
You know
