

# In the Mood

Robert Plant

I'm in the mood for a melody  
I'm in the mood for a melody  
I'm in the mood I'm in the mood for a melody  
I'm in the mood for a melody  
I'm in the mood I'm in the mood for a melody  
I'm in the mood for a melody  
I'm in the mood I can make you dance  
I can make you sing  
I can make you dance  
I can make you sing  
If you want me to Oh, I can make you dance  
I can make you sing  
I can make you dance  
I can make you sing  
If you want me to Oh, I can make you dance  
I can make you sing  
I can make you dance  
I can make you sing  
If you want me to Any little song that you wanna sing  
Little song that you wanna sing  
Sung in lieu Any little song that you wanna sing  
Little song that you wanna sing  
Song for you A little song that you wanna sing  
A little song that you wanna sing  
You're blue I'm in the mood  
I'm in the mood  
I'm in the mood [Incomprehensible]  
Do anything that you want me for  
If you want me to Do it right, do it wrong  
'Cause a matter of fact  
It'll turn out to be strong  
If you want me to Oh, if you want me to  
If you want me to
