Seems Like Yesterday

Goldfinger

So ask me all the questions
Don't tell me that I'm lying let's just get on with what we got
Take me back to a place that no one knows
The air was clean we both had nowhere else to go
It seems so long ago yet seems like yesterday
So long ago yet seems like yesterday
There we were running through the hills back home
We'd never leave and we'd never be alone
It seems so long ago yet seems like yesterday
It seems so long ago yet seems like yesterday
So ask me all the questions
Don't tell me that I'm lying let's just get on with what we got
Just forget all the tension remember that we're buying

Make sure we're giving all we got
We'd talk about the things we do
Just like brothers, me and you
It seemed so real they they came, took you away
Said they'd bring you back someday be back some day
And now it's been a decade
Since I have heard from your face
I guess they really got to you
So ask me all the questions
Don't tell me that I'm lying let's just get on with what we got
Just forget all the tension remember that we're buying
Make sure we're giving all we got yeah, we're giving all we got
