

Raise Your Fist

Throwdown

Broken down
Grab a hold of my hand
Cleanse yourself
Now set yourself free
Broken
Self defeated
Lost
You've got to give yourself some discipline
Fuck yeah!
Raise your fist in the air..Drug free!!(X2)
Cleanse yourself
You dont need it
Despite what you may think
Its in your head(X3)
Its in your fucking head
Its in your head!
Raise your fist in the air...Drug free!!(x8)
Cleanse yourself
You dont need it
Despite what they may say
Cleanse yourself
You dont need it
Despite what you may think
Now set yourself free(X2)
C'MON!
Cleanse Yourself
You dont need it
Despite what you may think
Cleanse Yourself
You dont need it
Despite what they may say LETS GO!!
Now Set yourself free!!!
Free!!
Set Yourself free
