Get Down

James Arthur

Outside there's a bird and it is singing

And outside of my window, there's a life

I feel like someone's talking to my spirit

They tell me that there's reasons to surviveI could draw you a picture

I could write on my face

I could read you a scripture of tales And I know, no matter how much colder

Or how much I carry on my shoulders

As long as I'm standing, I'll be closer

'Cause it ain't over, 'til it's over

But we don't get down

No we don't get down

We can turn this 'round

And maybe

It's today ah yeah'Cause all these scenes of grief got my head spinnin'

And we're dancing on the edge of a knife

And could I be your hero or your villain

Uh, I guess it just depends in whose eyesI could draw you a picture

I could write on my fist

I could read you a scripture of this And I know, no matter how much colder

Or how much I carry on my shoulders

As long as I'm standing, I'll be closer

'Cause it ain't over, 'til it's over

But we don't get down

No we don't get down

We can turn this 'round

And maybe

It's today ah yeahAnd I don't get down

'Cause you lift me up

No I don't get down

'Cause you lift me up

No I don't get down

'Cause you lift me up

No I don't get down

'Cause you lift me up

No I don't get down

'Cause you lift me up

No I don't get down

'Cause you lift me up

No I don't get down

'Cause you lift me up
No I don't get down
'Cause you lift me upAnd I know, no matter how much colder
Or how much I carry on my shoulders
As long as I'm standing, I'll be closer
'Cause it ain't over, 'til it's over
But we don't get down
No we don't get down
We can turn this 'round
And maybe
It's today ah yeah
