

# Save The World

## ohd

    Into the streets  
    We're coming down  
        We never sleep  
        Never get tired  
        So urban feels  
    And suburban lights  
    Turn the crowd up now  
    We'll never back down  
        Shoot at the skylight  
    And watching it on primetime  
        Turn up the love now  
    Listen up now, turn up the love  
Who's gonna save the world tonight?  
Who's gonna bring me back to life?  
    We're gonna make it, you and I  
    We're gonna save the world tonight  
        OHOHOHOHOHOH  
        OHOHOHOHOHOH

        OHOHOHOHOHOH  
We're far from home, it's for the better  
    What we dream, it's all that matters  
    We're on our way, united  
    Turn the crowd up now  
    We'll never back down  
        Shoot at the skylight  
    And watching it on primetime  
        Turn up the love now  
    Listen up now, turn up the love  
Who's gonna save the world tonight?  
Who's gonna bring me back to life?  
    We're gonna make it, you and I  
    We're gonna save the world tonight  
        OHOHOHOHOHOH  
        OHOHOHOHOHOH  
        OHOHOHOHOHOH
