

Rage On the Sea

Crystal Eyes

Music: Mikael Dahl - Lyrics: Mikael Dahl

Lightning strikes on the wild raging sea,
the storm rules in the air

Roaring thunder in the burning horizon,
waves high in the sky

But the warriors on the ship of hate
will stay in their course

Thunderstorm will not stop the rage
or the cry for bloodPre Chorus:

On and on, in the storm

Through the horizon

Wind in their sails

Lust for fight, kill and rapeChorus:

Tyrants out on the sea

Death awaits in their steel

This battleship will be your end

Hungry eyes of the pirates

Anger grows on the sea

By the sword you will dieBreaking the waves like a sword in the wind,
with the flag in the sky

Searching for flesh to their steel,
they will show no mercy

Eternal evil, hate and pride,
there's no escape

Glory shines in their eyes,
to pride to diePre Chorus:
