Faktion

I'm so disappointed and all alone
I miss my childhood and all I've known
Is this wanting all I need
I know i found the answer
If I could only see, If I could only see
The answer lies in meIt's all too hard to force a chance
We fret too much about this world
Just be your own and face each day
Answers will slowly come your wayI'm so full of purpose, But void of means
I can't be certain of anything
Has this wanting taken me
I know I'd find the answer
If I could only see, If I could only see
The answer lies in meI would like to make things perfect.
But I can't seem to get it right
Only steps away from the answers.
But I can't reach them
Now, I realize the answers will
Come to me in time
I cannot reach them
They can reach me
