## Faktion

I'm so disappointed and all alone  
I miss my childhood and all I've known  
Is this wanting all I need  
I know i found the answer  
If I could only see, If I could only see  
The answer lies in meIt's all too hard to force a chance  
We fret too much about this world  
Just be your own and face each day  
Answers will slowly come your wayI'm so full of purpose, But void of means  
I can't be certain of anything  
Has this wanting taken me  
I know I'd find the answer  
If I could only see, If I could only see  
The answer lies in meI would like to make things perfect.  
But I can't seem to get it right  
Only steps away from the answers.  
But I can't reach them  
Now, I realize the answers will  
Come to me in time  
I cannot reach them  
They can reach me
