

Cemetery Gates

Power Quest

Reverend, Reverend is this some conspiracy?

Crucified for no sins

An image beneath me

Whats within our plans for life

It all seems so unreal

I'm a man couldn't have feel this world

Left in my misery

The Reverend he turned to me

Without a tear in his eyes

It's nothing new for him to see

I didn't ask him why

I will remember

The love our souls had

Sworn to make

Now I watch the falling rain

All my mind can see

Now is your (face)

Well I guess

You took my youth

I gave it all away

Like the birth of a

New-found joy

This love would end in rage

And when she died

I couldn't cry

The pride within my soul

You left me incomplete

Overload as the memories now unfold.

Believe the word

I will unlock my door

And pass the

Cemetery gates

Sometimes when I'm alone

I wonder aloud

If you're watching over me

Some place far abound

I must reverse my life
I can't live in the past
Then set my soul free
Belongs to me at last

Through all those
Complex years
I thought I was alone
I didn't care to look around
And make this world my own
And when she died
I should've cried and spared myself some pain
Left me incomplete
All alone as the memories still remain

The way we were
The chance to save my soul
And my concern is now in vain
Believe the word
I will unlock my door
And pass the cemetery gates

The way we were
The chance to save my soul
And my concern is now in vain
Believe the word
I will unlock my door
And pass the cemetery gates
