

# U Wanna Be

## Inspectah Deck

[Intro: Inspectah Deck]

There comes a time when you'll be stripped of your stripes  
Take away the accolades, and look yourself in the face, you know  
No lactose, just a reality dose We keep it true, yeah, yo [Chorus: Inspectah Deck]  
You wanna be large, you wanna be hard You wanna be God, you're not quite  
You wanna be thugs, you wanna be Bloods  
You wanna be loved, is that right?  
You wanna be friends, you wanna be him  
You wanna be them, you act like  
You wanna be live, you wanna be fly  
You wanna be high, I gotta be me [Inspectah Deck]  
Born July 6th, 3:23 With a finger for the world up in front of me  
Had the gall, had a ball, but ain't have shit  
Played the hall, played some ball, average black kid  
With a passion to live and see the lands  
Without sacrificin' my soul or meet demands I strive for what I live for, me and my Clan  
And searched for provocative plans to feed the Fam  
This is no act or mirage, never rocked a corsage  
Spanned the globe on roam, nobody God  
See everybody's a thug, everybody sold drugs Everybody rocked an ice cold mug  
Most killas I know, is either six feet below  
Or lost in the system, doin' years in the hole  
But your feet not big enough to fit in my shoes, nigga  
It's the changin' of the God, witness the move [Chorus] [Inspectah Deck]  
Far from the inventor, like Notorious said  
But I'm quick to pull my sword and it's off with your head  
I never was a dick rider, you never see me try to  
Be like that dude, soft, plus, he wack too  
Put the money on wood, make it all good Then make arrangements, I'm bringin' my hood Pushin' four wheel  
motion with the sounds and tints  
In suspense, ya'll snake eyes bounce off the tents  
See, they rent cars and jewels to fool you  
In the video, actin' like, that's how they really flow  
But only a low percentage know  
Only five every hundred make dough, they say so  
Oh, you got a rollie plus a six point o  
But no, you're not authentic, you're just for show  
Lookin' for the next free ride to latch on  
In the short amount of time, watch the world catch on that [Chorus] [Inspectah Deck] Money back guarantee, if

it's not quality  
And that's who I be  
This here's official, if not, I wouldn't hit you  
I gotta be true, I take offense to the issue  
Not your typical rituals I chant  
Givin' the chance, watch it rain like an Indian dance  
State it like Abe, at Gettysburg, bet he's heard  
Through galaxies, aliens stuck on every word  
Livin' legend, veteran known to set trend  
Flex powers on the mic, like the X-Men  
Destined to hit the hall of fame, quick  
But ya'll kick the same lame shit  
Kick 'em in the groin, for playin' both sides of the coin  
Now who will be the next click you join  
I stand on my own two feet, truly unique  
That's the difference between you and me, you wanna be [Chorus 2X]
