

Your Will

James & Rebekah Caggegi

"Your Will" - James and Rebekah Caggegi

I lay it down

I count it lost

This life surrendered at the cross

No holding back

Everything to gain

To lose my life till nothing else remains

Nothing else remains

Itâ€™s Your will

Itâ€™s Your will for me

Itâ€™s Your will for me

To be all that Iâ€™m called to be

Itâ€™s Your will for me

Three nails You bore

And a crown of thorns

To redeem this world that You were dying for

You were dying for

Itâ€™s Your Love

Itâ€™s Your love for me

Itâ€™s your love for me

Itâ€™s Your blood on Mount Calvary

Itâ€™s your love for me

Now weâ€™ll never be alone

Cause You have called me as Your own

Made my heart into Your home

Helped my eyes to see

Itâ€™s Your will

Itâ€™s Your will for me
To be all that Iâ€™m called to be
Itâ€™s Your will for me

Your will for meâ€!
