

Why Don't You Love Me

[Amanda Marshall](#)

Why am I lonely
You're sitting right here
Why am I talking
It's like I'm talking to the air What am I looking for
That just isn't there
Why am I angry
How'd it get so bad And why am I missing
What we never really had [Chorus]
Why don't you love me
The way I love you
Why don't you feel things
As deep as I do
We've got a fundamental difference
In matters of emotion
But I need to feel you need me
Like a river needs an ocean
Baby why don't you love me Who am I kidding
It wasn't meant to be
But you wanted a believer
And I needed to believe For every wall you built around you
I learned a brand new way to climb
And if I could have been your angel
I would've found a way to fly [Chorus] I don't understand you
What's it take to make you cry
And if leaving you don't break you
Then baby what's it matter why [Chorus]
