That's The Way I Feel About Cha

Bobby Womack

Huh, you know life is funny when you look at it
Everybody wants love
But everybody's afraid of love
You know, I'm a true believer

If you get anything out of life
You got to put up with the toil and strife
Ooh You're pushin' my love
A little bit too far
I don't think you know
I don't think you know how blest you are
And your friend Annie May tell you all she see
Have you, ever thought she was tryin' to get close to me

Think it over, think it over, girl, think it over
That's the way I feel about 'cha
That's the way I feel about 'cha
I don't mind, I don't mind, I don't mind

I know you've been hurt and so have many others too
But that's the sacrifice that life put you thru
Put you thru, put you thru
Trust in me, my dear, have no fear
You don't know but God might have sent me here, sent me here

Think it over, think it over, girl, think it over
That's the way I feel about 'cha
(Any of us can leave for a long adventure)
That's the way I feel about 'cha

Don't take my love as a sign of weakness
Check into the situation, girl
Dig a little deeper

Think it over, think it over, girl, think it over
That's the way I feel about 'cha
That's the way I feel about 'cha
