

# I Want To Die A Beautiful Death

## Everclear

Everybody here in the small town  
Looks used and abused today  
Everybody here is lookin' outside  
And seems like nothing ever changesEverybody, they just wanna have a good time  
Everybody, they just wanna forget  
Everybody wants to feel like they did  
When the sky looked good and the world was perfectI don't care, I just want to die pretty  
I just want to get lost in the motion  
I just want to get lost in my beautiful self  
I just want to get lost in the city  
I don't want to live forever  
I want to die a beautiful deathYeah, I got to get the hell out of this town  
Everybody's lookin' upside down  
Everybody here is lookin' for the same thing  
Really seems like nothing ever changesEverybody, they just wanna buy a slow ride  
Everybody, they just wanna get buy  
Everybody wants to feel like they did  
When the sky looked high and the world was simpleI don't care, I just want to die pretty  
I just want to get lost in the motion  
I just want to get lost in my beautiful self  
I just want to get lost in the city  
I don't want to live forever  
I want to die a beautiful deathI want to die a beautiful death  
I just want to die a beautiful death  
I just want to die a beautiful death  
I just want to die prettyI just want to die pretty  
Just want to die pretty  
Sometimes I just want to dieI just wanna get lost in the moment  
I just wanna get lost inside the city tonight  
I just wanna get lost inside myself  
I don't care about nothingI just want to get lost in the motion  
I just want to get lost in my beautiful self  
I just want to get lost in the city  
I don't want to live forever  
I want to die a beautiful deathI want to die a beautiful death  
Yes, I want to die a beautiful death  
I just want to die a beautiful death  
I just want to die pretty
