

# Don't Be Cruel

## Bobby Brown

Girl, the only thing that matters in my life  
Is that I'm down for you and treat you right  
    You've got no call to treat me cold as ice  
Ohh, girl, as long as I've been givin' my love to you  
    You should be givin' me your love too  
    But you just keep on actin' just like a fool  
        You know it ain't cool  
Uh don't be cruel, 'cause I would never be that cruel to you  
    Uh no, oh oh, no, uh don't be cruel  
    Uh girl, you need to change your attitude  
        Uh no, oh, uh don't be cruel  
Hey yo' Kimmy what's up with this attitude  
    I thought I was bein' real good to you  
    I treat you sweet, take you out at night  
But you never say thanks girl, that ain't right  
I bought you diamonds even gave you pearls  
I took you for a cruise all around the world  
I treat you high post but you play me close  
And if I want to drink up you won't even toast  
Girl, I work so hard for you from nine to five  
    So you could have the finer things in life  
    Since you're the kind that's never satisfied  
Ohh, girl, as long as I've been givin' my heart to you  
    You should be givin' me your heart, too  
    But you just keep on actin' just like a fool  
        You know it ain't cool  
Uh don't be cruel, 'cause I would never be that cruel to you  
    Uh no, oh oh, no, uh don't be cruel  
    Uh girl, you need to change your attitude  
        Uh no, oh, uh don't be cruel  
        From fancy cars to diamond rings  
I've just about given you everything  
    There's really not much I won't do for you  
I bought you twelve yellow roses and candy, too  
    I like to be up front and never play the back  
But the way you treat me girl is like a heart attack  
    I'm a real trooper trooper and with all the times  
That you were by my side diggin' dollars outta crock  
Ohh, girl, as long as I've been givin' my love to you

You should be givin' me your love, too  
But you just keep on actin' just like a fool  
You know it ain't cool, it just ain't cool  
Oww! Uh don't be cruel  
We used to hang out tough just kickin' around  
We discovered a love that had never been found  
You gave me your heart I gave you my mind  
But a true love affair we could never find  
Although I want you bad I could let you go  
'Cause there's a lot of girls out there that won't say no  
But due to fact that I want you, Jackie  
I want you more than human eyes can see  
But you had to start givin', tryin' to make a killin'  
Thought about the dollars I make and you were willin'  
To be with me Bobby B., but with a bad attitude I can't compete  
Now you know my name, now I know your game  
You want to be with me you got to be the same way  
That another girl would be and if you wanna be with me  
Uh don't be cruel, 'cause I would never be that cruel to you  
Uh no, oh oh, no, uh don't be cruel  
Uh girl, you need to change your attitude  
Uh no, oh  
Uh don't be cruel, 'cause I would never be that cruel to you  
Uh no, oh oh, no, uh don't be cruel  
Uh girl, you need to change your attitude  
Uh no, oh  
We used to hang out tough just kickin' around  
We discovered a love that had never been found  
You gave me your heart I gave you my mind  
But a true love affair we could never find  
Although I want you bad I could let you go  
'Cause there's a lot of girls out there that won't say no  
But due to fact that I want you, Jackie  
I want you more than human eyes can see  
But you had to start givin', tryin' to make a killin'  
Thought about the dollars I make and you were willin'  
To be with me Bobby B., but with a bad attitude I can't compete  
Now you know my name, now I know your game  
You want to be with me you got to be the same way  
That another girl would be and if you wanna be with me  
Uh don't be cruel, 'cause I would never be that cruel to you  
Uh no, oh oh, no, uh don't be cruel  
Uh girl, you need to change your attitude
