

# Who's Gonna Build Your Wall?

Tom Russell

Ive got 800 miles of open border  
Right outside my door  
Theres minute men in little pick up trucks  
Whove declared their own damn war Now the government wants to build  
A barrier like old Berlin 8 feet tall  
But if uncle Sam sends the illegals home  
Whos gonna build the wall? Whos gonna build your wall boys?  
Whos gonna mow your lawn?  
Whos gonna cook your Mexican food  
When your Mexican maid is gone? Whos gonna wax the floors tonight  
Down at the local mall?  
Whos gonna wash your babys face?  
Whos gonna build your wall? Now I aint got no politics  
So dont lay that rap on me  
Left wing, right wing, up wing, down wing  
I see strip malls from sea to shining sea Its the fat cat white developer  
Whos created this whole damn squall  
Its a pyramid scheme of dirty jobs  
And whos gonna build your wall? Whos gonna build your wall boys?  
Whos gonna mow your lawn?  
Whos gonna cook your Mexican food  
When your Mexican maid is gone? Whos gonna wax the floors tonight  
Down at the local mall?  
Whos gonna wash your babys face?  
Whos gonna build your wall? Weve got fundamentalist Moslem's  
Weve got fundamentalist Jews  
Weve got fundamentalist Christians  
Theyll blow the whole thing up for you But as I travel around this big old world  
Theres one thing that I most fear  
Its a white man in a golf shirt  
With a cell phone in his ear Whos gonna build your wall boys?  
Whos gonna mow your lawn?  
Whos gonna cook your Mexican food  
When your Mexican maid is gone? Whos gonna wax the floors tonight  
Down at the local mall?  
Whos gonna wash your babys face?  
Whos gonna build your wall?
