

Lullaby

Creed

Hush my love now don't you cry
Everything will be all right
Close your eyes and drift in dream
Rest in peaceful sleep If there's one thing I hope
I've showed you
If there's one thing I hope
I've showed you Hope I showed you Just give love to all
Just give love to all
Just give love to all Oh my love, in my arms tight
Every day you give me life
As I drift off to your world
Will rest in peaceful sleep I know there's one thing that you've shown me
I know there's one thing that you've shown me
That you've shown me
Just give love to all
Just give love to all
Just give love to all Let's give love to all
Let's give love to all
Just give love to all
Let's give love to all
Just give love to all
Let's give love to all
