Beautiful Morning Light

Fruit Bats

Climb up with me to the monkey's nest
And lay your head upon my rattling chest
Give your lovely lonesome head a rest
In the beautiful morning light

Press your lips upon this hornet's kiss
And I will blow the tiny spider off your wrist
You're the only one I wish to lay here with
In the beautiful morning light

In the foggy waning dawn
We breathe frosty breath upon
The branches of the holy tree
Just you and me up here

Climb up with me to the monkey's nest
And lay your head upon my rattling chest
Give your lovely lonesome head a rest
In the beautiful morning light
