# Let's Talk It Over

## Big Chief Ellis

Talk it over
Talk it overYou seem to think
That everything is more important than me, baby
As if to think
My world would be lonely without you on the sceneOh, it's about time
I moved up the ladder
Got to be number one
Or nothin' at allLet's sit down, talk it over
Take that finger from your face
Look at me for goodness sake
Talk it over, hey
Talk about itI do everything I can
To make life easy for you, baby
But you take me for granted
What is our love, our love comin' to? OhIt's about time for us to have a talk
And maybe I'm not satisfyin' you, boy
You gotta tell me 'cause this ain't right
Why ain't you, oh, be holding me tight?Let's sit down, talk it over
Take that finger from your face
Look at me for goodness sake
Talk it over
Talk about it, baby
(Talk it over)I said let's talk about it, baby
(Talk it over)
Ooh, talk about it, baby
(Talk it over)Let's talk it over, yeah
(Talk, talk, talk)
Hey, talk it over
(Let's talk it over)
Hey, baby come on over here
(Talk, talk, talk)
Talk it over with me, baby, yeah
(Let's talk it over)Hey, talk it over, baby
(Talk, talk, talk)
Talk, talk, talk, talk it over
(Let's talk it over)
Talk, talk, talk it over with me
(Talk, talk, talk)
Hey, talk it over

(Let's talk it over)
