Beachcombing

Reflections of Nature

They say there's wreckage washing up
All along the coast
No one seems to know too much
Or who got hit the mostNothing has been spoken
There's not a lot to see
But something has been broken
That's how it feels to meWe had a harmony
I never meant to spoil
Now it's lying in the water
Like a slick of oilThe tide is running out to sea
Under a darkening sky
The night is falling down on me
And I'm thinking that I shouldHead on home
(Head on home)
Been gone too long
(Gone too long)
Leave my roaming
BeachcombingLittle wild kitten out hunting
To see what he can get
You're in a big city now
That won't stop growing yetThe sun is going down smoking
A flaming testament
Something has been broken
And it feels permanentLittle seabird flying
He knows where he wants to go
Guess I ought to pack my stuff
And do the thing I knowI turn around and head on back
Along the old sea wall
I felt something give and crack
And now I'm sorry that's allHead on home
(Head on home)
Been gone too long
(Gone too long)
Leave my roaming
Beachcombing
