

Heavy Rope (Siberia Acoustic)

Lights

Strange hands, taking my wrist again
Somehow, I'm still alone
Voices, shaking my steps again
I, follow I'm a, little bit on the edge
Hold up, hand out of reach
I can't, hear much of what you said
Come for me Don't let me tumble away
Into the throws of the shadowy bay
I cling to the rock, and it's crumbling off
Toss me a heavy rope
It's a slippery slope
Come bail me out of this godforsaken precipice
Come bail me out of this godforsaken precipice Turned up, in this old place again
Can't seem, to get away
Take me back to my element
I'm afraid Don't let me tumble away
Into the throws of the shadowy bay
I cling to the rock, and it's crumbling off Toss me a heavy rope
It's a slippery slope
Come bail me out of this godforsaken precipice
Come bail me out of this godforsaken precipice Oh I'm not a lost cause
I'm just stuck in this spot
And I'm prose to falling off
So toss me a heavy rope
It's a slippery slope
Come bail me out of this godforsaken precipice
Come bail me out of this godforsaken precipice Don't let me tumble away
Into the throws of the shadowy bay
I cling to the rock, and it's crumbling off
Toss me a heavy rope
It's a slippery slope
Come bail me out of this godforsaken precipice
Come bail me out of this godforsaken precipice
Come bail me out of this godforsaken precipice
Come bail me out of this godforsaken precipice
