# Operation Push

## Cornershop

If you're driftin' on an empty ocean
With no wind to fill your sail
The future, your horizon
It's like searchin' for the holy grailYou feel there's no tomorrow
As you look into the water below
It's only your reflection
And you still ain't got no place to goTime will show
When, I don't knowSail away tomorrow
Sailin' far away
To find it steal or borrow
I'll be there someday
Yeah, yeahOh woman, I keep returnin'
To sing the same old song
The story's been told, now I'm gettin' old
Tell me, where do I belong?Feel like I'm goin' to surrender
Hard times I've had enough
If I could find a place to hide my face
I believe, I could get back upTime will show
When, I don't knowSail away tomorrow
Sailin' far away
To find it steal or borrow
But I'll be there someday
Yeah, yeahSail away tomorrow
Sailin' far away
To find it steal or borrow
But I'll be there someday
Yeah, yeahSail away tomorrow
Sailin' far away
To find it steal or borrow
But I'll be there someday
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah
